

Attention, Fathers, Families, Community
Organizations and Social Service
Professionals

YOU'RE INVITED!

For the First Time in Southern California and Los Angeles

11th Annual National Fatherhood and Families Conference

Brought to the Community By Fathers & Families
Coalition of America & Support Organizations

Come and join us for this unique conference strengthening families for the future by embracing Fathers, Families & Communities- Apoyando Padres, Familias, Comunidades.

Workshops and speakers provide valuable and helpful information on how to improve programs, strengthen our communities and strengthen our families with healthier family relationships and fatherhood programs.

February 23-26, 2010
