

## Supplement to Parenting Educator Competencies Across Ten Programs

### Updated websites (McDermott, 2018)

Below are the updated websites pertinent to the original document on parenting educator competencies located at the NPEN website at <http://npen.org/wp-content/uploads/2014/10/Parenting-Educator-Competencies-across-Ten-Programs.pdf> . For some programs the link is merely a capture of the original work. For others there are new impressive revisions that inform our work on competencies (e.g. Wisconsin) as well as model improved systems to support family serving professionals (The UK).
